

## Schedules

### Introduction

Admins with the correct roles can view all the driver schedules in a calendar format.

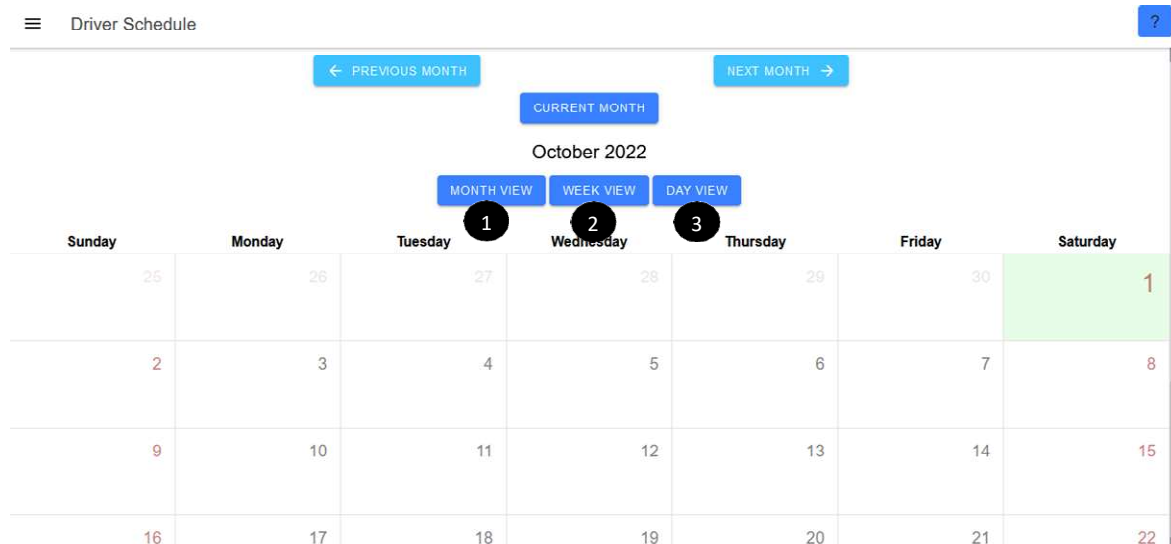

To navigate to the driver schedules, follow the below steps:

#### Admin Dashboard

Number	Name	Description
1	Schedules	Click on this button on the side menu when logged in as an admin.

The Schedule page is shown below:

Number	Name	Description
1	Month View	The above image displays the month view of the driver schedule
2	Week View	Click on this button to view a more detailed schedule where the times are displayed for each of the booked instances.
3	Day View	Contains the most details regarding each booking in the driver schedule.

### Conclusion

Admins with the correct roles can view all the driver schedules in a calendar format.
