## Fuel Price

Introduction

All admins and drivers with the correct roles can add and delete fuel prices on the system. Fuel prices are used to generate the Fuel Price Expenditure Report.

The Fuel price tab can be accessed through the side menu (using the burger icon ≡) as shown below:

Number	Name	Description
1	Fuel Prices	Click on this button to access the Fuel Price screen.

DRIVE N DELIVER

The Fuel Price screen is shown below:

≡ Fuel Price

Search

Driver Fuel			
Driver	Date	Fuel Price	View Fuel Price
Driver Employee	2022-09-24	R 110	**1** VIEW FUEL PRICE
Driver Employee	2022-09-24	R 111	VIEW FUEL PRICE

The View Fuel Price Screen looks as follows.

View Fuel Price

Driver Name
